

**For Immediate Release:**

## **Thomas Research Products Appoints Joe Klein Southern US Regional Sales Manager**

**Elgin, Illinois** June 13, 2016--- Thomas Research Products has announced the appointment of Joe Klein as the company's Regional Sales Manager for the US Southeast and South Central states. Thomas Research Products manufactures complete SSL power and control solutions.

Mr. Klein works with lighting OEMs, ESCO's, retrofitters, engineers and designers throughout the Southern United States, along with Mexico, Central and South America. This new role expands his ability to support customers with complete solid state lighting solutions.

Joe comes to TRP with over 20 years of lighting industry experience. He has extensive working knowledge of LEDs for OEMs. Previously, he worked for Ushio America and GE Lighting. Joe holds a Bachelors degree in Marketing from Northern Illinois University. An Air National Guard veteran, he also has a Six Sigma Green Belt.

Greg Andrews, TRP Brand Vice President, noted "It's great to have Joe on the Thomas Research team. His experience and understanding of the lighting market offers tremendous value to our dynamic and diverse customer base. Plus his office in the territory means he'll provide superior service." Mr. Klein's office is in Cape Coral, FL.

Joe can be reached at 239-896-0388 or [jklein@trpssl.com](mailto:jklein@trpssl.com). Follow the company on [Facebook](#) and [Twitter](#) for the latest news and updates.
