

For Immediate Release:

Thomas Research Products Appoints Tony Raso Midwest US Regional Sales Manager

Elgin, Illinois January 17, 2016--- Thomas Research Products announces the appointment of Tony Raso as the company's Regional Sales Manager for the US Midwest states. Thomas Research Products manufactures complete LED power and control solutions for OEMs and retrofitters.

Mr. Raso works with lighting OEMs, ESCOs, retrofitters, engineers and designers throughout the Midwest. This role expands his ability to support customers with complete component solutions for solid state lighting, including custom design services.

Tony has more than 30 years of experience in the electronics and lighting industry, with extensive working knowledge of LEDs for OEMs. Previously, Tony held engineering and sales management positions with Eclipse Lighting, Astoria Wire and Metal, Nu-Way Industries and Oak Industries. He earned his degree in electrical engineering from the University of Illinois.

TRP Director of Sales Brian Johnson noted "Adding Tony is great for Thomas Research. His experience and understanding of LEDs and lighting will be important for servicing our dynamic and diverse customer base. We're proud to have him on our team."

A lifelong Chicagoland resident, Mr. Raso is located at the TRP headquarters in Elgin, IL.

Tony can be reached at 224-762-8832 or traso@trpssl.com. Follow Thomas Research Products on [Facebook](#) and [Twitter](#) for the latest news and updates.
